

Organics the Easy Way®

Guarantee® Bloom

Bigger, Better Blooms

Guarantee® Bloom is a premium liquid foliar fertilizer formulated to provide maximum blooms and vigorous plants. The product is mainly kelp extract which promotes root growth, bloom set and vibrant, stress-resistant plants. Foliar-available phosphorus produces more and bigger blooms.

How to Use

Flower Gardens, Roses, Blooming Plants –

Standard Mixture—Mix 60 ml. (2 oz.) of *Guarantee® Bloom* in 3.8 liters (1 gal.) of water. Wet plants until solution runs off leaves and apply to soil around plant base. For large areas, use hose-end, pump or backpack sprayer. One gallon of Standard Mixture will cover 9.3 sq meters (100 sq. ft.) Apply 2 times monthly during growing season.

* 2 fl. oz. equals 4 tablespoons

Nitrogen: 3.2% organic	
(0.25% natural, 2.9% synthetic)	F 1409

Indoor Plants—Apply 1-2 times per month throughout year.

For Best Results—Spray early in the morning or late in the day. Cover plant surfaces fully. If applying to soil instead of using as foliar spray, use sufficient mixture to fully wet root area.

Storage and Use Precautions

Store away from sunlight. Do not store below 10° C (50° F). Keep cap closed. Shake before each use. (Some natural settling may occur.) Mixing with other liquid fertilizers is not recommended. Keep out of reach of children. Iron may cause staining.

Use All MaineStream Organics® Fine Fertilizers.
