

Organics the Easy Way®

# Guarantee® Green

## Green and Vibrant

*Guarantee® Green* is a premium liquid foliar fertilizer formulated to promote tissue and root growth and deep color in lawns and landscapes. It contains kelp extract and foliar-available nitrogen, potash, iron and magnesium to provide necessary nutrients for photosynthesis and chlorophyll production. Your lawn will be noticeably greener and vibrant with regular applications throughout the summer.

## How to Use

**Lawns and Turf** – Apply at a rate of 90-120 ml. per 93 sq. m. (3-4 oz. per 1,000 sq. ft.) every 2 to 3 weeks. Standard hose-end sprayer gives optimum ratio of 60-80 parts water to one part *Guarantee® Green*. Pump or backpack sprayer can be used. For small areas, add 30-60 ml. per 3.8 liters (1-2 oz. per gal.) of water, and apply until mixture runs off foliage or the grass is wet.

## 9 • 0 • 0 • 9 GUARANTEED ANALYSIS

<b>Total Nitrogen (N)</b>	<b>9.00%</b>
1.40% Nitrate Nitrogen	
7.60% Urea Nitrogen	
<b>Soluble Potash (K<sub>2</sub>O)</b>	<b>9.00%</b>
<b>Magnesium (Mg)</b>	<b>0.50%</b>
0.50% Water Soluble Magnesium(Mg)	
<b>Total Iron (Fe)</b>	<b>1.00%</b>

*Derived from: Kelp Extract, Iron EDTA, Magnesium Nitrate, Potassium Citrate, Urea*

**Nitrogen: 7.6% organic**  
**(0.2% natural, 2.9% synthetic)** F 1409

**Shrubs and Trees** – Dilute 1-2 oz. per gallon of water. Cover plant surfaces fully. Apply in morning or early evening in Spring, early Summer and Fall or when trees or shrubs are stressed or have lost color.

\* 1 fl. oz. equals 2 tablespoons

## Storage and Use Precautions

Store away from sunlight. Do not store below 10° C (50° F). Keep cap closed. Shake before each use. (Some natural settling may occur.) Mixing with other liquid fertilizers is not recommended. Keep out of reach of children.

This product is intended as a supplement to a fertilization program and may not, by itself, provide all the nutrients normally required during the course of the year.

**Use All MaineStream Organics®  
Fine Fertilizers.**
